The Old School Cafe is a **volunteer-led mental wellbeing community hub** based in St Margaret's Centre, which has been supporting the people of County Durham since 1991.

Everyone needs someone to talk to once in a while,
and at St Margaret's Centre we see the benefit of a simple chat every single day.

A friendly face can make the difference between a good day and a bad one,
so we have launched the cafe as a place for people to go for a warm welcome and conversation.

A variety of opportunities are available for people to participate in volunteering and work experience, with training delivered at each individual's pace and with consideration for their abilities, learning needs, and mental health.

We are always looking for people to get involved, and seek to match up people who need a bit of extra support, with those who are able to provide it as mentors.

If you'd like to find more, please leave your contact details at the till and Nicola, our Volunteer Coordinator, will be in touch.

**The Old School Cafe will initially open Monday to Friday, 9.30am – 2pm.
We hope to expand these hours as our roster of volunteers grows.**
